

TruMark *Financial*® Credit Union

Since its founding in 1939 by a handful of Bell Telephone Company of Pennsylvania employees, TruMark Financial has grown to be a leader in the credit union industry. TruMark Financial provides savings, transaction, and credit services solely for its members. In 2005, the credit union's field of membership changed to include anyone who lives, works, worships, volunteers, or attends school in the Southeastern Pennsylvania counties of Bucks, Chester, Delaware, Montgomery, and Philadelphia.

As a credit union, TruMark Financial is not-for-profit and exists solely for the benefit of its members, who are literally "owners" of the institution. After allowing for reserves and operating expenses, TruMark Financial is able to pay its members higher rates on deposit accounts, lower rates on loans, and fewer fees and at the same time reinvests its earnings to develop new products and services. All deposit accounts are insured to at least \$250,000 by the National Credit Union Share Insurance Fund of the National Credit Union Association, a U.S. government agency.
