

You understand this Visa debit/ATM and/or ATM card holder agreement and disclosure statement sets out your respective rights and obligations in connection with your use of a TruMark Financial Visa debit/ATM card. Please read it and keep it for your records. You also understand you do not have to sign this Agreement. It will take effect automatically when you use the card or permit another to do so, or if you do not return the card or cards to TruMark Financial, cut in half, within thirty (30) days after receipt of the card.

In consideration of TruMark Financial Credit Union issuing you a Visa debit/ATM or ATM card, you agree to be legally bound by the following terms and conditions:

Definition of Terms

In this Agreement the words “you” and “yours” mean the applicant and co-applicant, if any, and any other person an applicant permits to use a card issued under this Agreement. The word “TruMark Financial” refers to TruMark Financial Credit Union (TRUMARK FINANCIAL), its successors and assigns. The word “card” means the Visa debit/ATM card, ATM Card, or any other cards issued under this Agreement.

Signing Card, Authorized Users

You will sign the card promptly upon receipt to protect you and TruMark Financial from any unauthorized use. Each person who uses this card with your permission also will be bound by the terms of this Agreement.

Accounts and Ownership of Card - For Visa Debit Card Only

You agree that you have a checking account with TruMark Financial set forth on your application form which is part of this Agreement. You hereby request TruMark Financial issue you one or more Visa debit/ATM card(s). You authorize TruMark Financial to check your credit history and any relevant financial data prior to issuing a Visa debit/ATM card to you. You agree the card is TruMark Financial's property and will be surrendered to TruMark Financial upon TruMark Financial's request.

For Savings Account Only

If you have a savings account only with TruMark Financial, you will be issued an ATM Card. This ATM Card has the same terms and conditions as described in this agreement. Visa debit/ATM card will denote both cards unless otherwise stated.

Use of Card for Purchases and Cash Advances

You understand you may use your Visa debit/ATM card to make purchases of goods and services (“purchases”) at any place where Visa cards are accepted and to obtain cash (“cash advances”) at any Visa financial institution. You agree that each time you use your Visa card for purchases or cash advances, TruMark Financial shall deduct the amount of such purchase or cash advance from your checking or savings account with TruMark Financial or add to such account the amount of any credit given to you in the same way other checking or savings transactions are handled. You understand each transaction will be subject to the terms of this Agreement and the rules and regulations of your account(s) with TruMark Financial to which the transaction is charged or credited. TruMark Financial is not obligated to you, we are not responsible in any way for refusals by merchants or financial institution to honor your Visa debit/ATM card for purchases or if a merchant retains your Visa debit/ATM card. You understand if you make a purchase with your Visa debit/ATM card which is returned for a refund, such refund must be made on a credit voucher which shall be credited to your account in the course of business. You agree all purchases or cash advance transactions or credits may be presented to TruMark Financial through the use of either sales or credit drafts or electronic transmission of the transaction information.

Your Visa debit card also allows you to conduct transactions on the STAR/Plus® network, which will generally require you to enter your PIN (Personal Identification Number). Some merchants are authorized to accept non-Visa debit transactions without requiring your PIN. If you choose to sign to authorize a debit transaction, the transaction will be routed as a Visa transaction. Provisions of your cardholder agreement that specifically relate to Visa transactions are in applicable to non-Visa debit transactions.

If you make a purchase or cash advance in a foreign currency, the purchase or cash advance, will be converted by Visa® International into a U.S. dollar amount. Visa International will use the procedures set forth in its Operating Regulations in effect at the time the transaction is processed. Currently, those regulations provide the currency conversion rate to be used is either (1) a wholesale market rate or (2) a government-mandated rate in effect one day prior to the processing date, increased by an international reimbursement rate of two percent (2%) in each case; Visa retains this international reimbursement rate as compensation for performing the currency conversion service. The currency conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or the posting date.

You also may make up to four (4) withdrawals per day at any automated teller machines not to exceed \$505 total. You also may obtain other services now offered or that may later be added in connection with any such accounts(s). Some of these services may not be available at all terminals. You agree each ATM transaction shall be subject to the terms of this Agreement and the rules and regulations of the accounts(s) with TruMark Financial to which the transaction is charged or credited.

ATM and Personal Identification Number (PIN)

You understand an ATM machine is an automated teller machine; it can and will perform many of the same tasks as a human teller. You acknowledge the PIN with your Visa debit/ATM card is your actual signature, it identifies the bearer of the card to the ATM machine, and authenticates and validates the directions given just as your actual signature and other proof of identity identifies you and authenticates and validates your directions to a human teller.
