Rates vary depending upon credit score. Offer subject to change. All loans subject to approval. Business accounts are not eligible.

*Annual Percentage Rate (APR) accurate as of 4/1/2020, applies to minimum line amount of $5,000, is subject to change without notice, and applies to a loan-to-value (LTV) ratio of 80% for primary residence. Rates vary depending upon amount financed, credit score, lien position, and collateral. Minimum APR is 2.99%, maximum APR is 18%. Best available rate is prime minus 0.51%, unless rate falls below the minimum APR. Rates reflect a 0.25% discount for loan payment via automatic funds transfer from a TruMark Financial checking account. Otherwise, APR is 0.25% higher. Property and/or flood insurance is required. APR is variable based on the highest Prime Rate published in The Wall Street Journal and is adjusted on a monthly basis. As of 3/15/2020 the Prime Rate was 3.25%. All loans/lines of credit are subject to approval and collateral evaluation. $100 processing fee will apply. Fees and charges may apply. Additional restrictions, limitations, and exclusions may apply. You may elect to “lock in” or convert a portion of your variable-rate outstanding balance to a fixed APR over a set term. You may select the term of your lock feature from terms provided to you at the time you exercise this option. Offered rate will be based upon borrower’s creditworthiness and term selected. The minimum amount that may be locked in is $5,000. The minimum term of the lock feature is five years and the maximum term of the lock feature is 20 years.
