

PRESS KIT

Since its founding in 1939 by a handful of Bell Telephone Company of Pennsylvania employees, TruMark Financial has grown to be a leader in the credit union industry, providing outstanding member service to over 145,000 members through a network of 24 branches. Visit trumarkonline.org/ourstory to learn more about our story.

The credit union's field of membership includes anyone who lives, works, worships, volunteers, or attends school in the Southeastern Pennsylvania counties of Bucks, Chester, Delaware, Montgomery, and Philadelphia.

As a credit union, TruMark Financial is not-for-profit and exists solely for the benefit of its members, who are the sole owners of the institution. After allowing for reserves and operating expenses, TruMark Financial returns profits to its members in the form of competitive rates, higher investment returns, and fewer fees while at the same time reinvesting its earnings to develop new products and services. All deposit accounts are insured to at least \$250,000 by the National Credit Union Share Insurance Fund of the National Credit Union Association, a U.S. government agency.

TruMark Financial's number one priority is the financial well-being of its members. All TruMark Financial employees are committed to the concept of member banking.
